

CERTIFICATE OF COMPLIANCE

Food Safety & HACCP Program Verification

Certificate #:	HACCP-2026-CF-0417
Issued To:	Coastal Farms & Purveyors Ltd.
Facility Address:	142 Harbor Industrial Way, Portland, ME 04101
Certifying Body:	Northeast Food Safety Alliance (Accredited Third-Party Auditor)
Standard:	HACCP (Hazard Analysis & Critical Control Points) — Seafood & Perishables
Scope:	Receiving, cold storage, processing, and distribution of fresh seafood, dairy, and produce
Issue Date:	January 15, 2026
Expiration Date:	January 14, 2027
Audit Result:	PASS — No critical non-conformances identified

This certifies that the above-named facility has been audited and found to maintain food safety controls consistent with HACCP principles, including hazard analysis, critical control point monitoring, corrective action procedures, verification, and recordkeeping, applicable to the scope of certification listed above. This certificate must be renewed annually and is subject to unannounced surveillance audits.

Lead Auditor, NE Food Safety Alliance

Facility Quality Manager

Keep on file for supplier qualification records. Verify current status before each renewal cycle.
